GET TO KNOW YOUR STRAWBERRY

FEATURES AND USE

- 1 To be used on both FACE and BODY.
- 2 2 Speeds - Normal and Pulse.
 - Press the "O" (Middle of the POP logo) once for normal and press again for Pulse. Press again to turn off.
- 3 Antimicrobial Food grade silicone.

FEATURES AND USE

- 4 The small bristles are for cleansing– use your normal facial cleanser.

- 5 The waves on the backside are best for massaging – use them to massage in serum/lotion or just to massage sore areas on face, head, or body.

FEATURES AND USE

- 6 The steel edge is for exfoliating – use the speed that is most comfortable for you. It is recommended that you exfoliate when your skin is wet.
- While your skin is moist (either after a shower or after spraying your skin with water) GENTLY move the Strawberry over your face at a 45 degree angle, concentrating on the areas that need exfoliating. Use light pressure to help open pores around your nose, chin, forehead, and other areas around your face. Slight redness is normal and is a sign that blood flow is increasing. The redness will fade quickly.
 - Use on any area of the face but use caution around sensitive areas like eyes.

FEATURES AND USE

- 7 Charging – the Strawberry will have a near invisible hole on the back of the device where you will show the DC pin charging being inserted.

ADDITIONAL INFORMATION

- 1 While your Strawberry is waterproof, never submerge it in water or use in bath or shower.
- 2 Since the Strawberry is designed to remove skin debris, massage, and cleanse, it is important to clean it well. After using the Strawberry, clean the steel with warm water and soap, if desired. Use a dry cloth to dry the Strawberry and store in a dry safe place.
- 3 To disinfect the Strawberry, use a paper towel and apply rubbing alcohol to a towel, then wipe the steel edge thoroughly and discard the towel. Store the Strawberry in a dry, safe place.
- 4 DO NOT make contact with eyes.
- 5 Keep power cord out of water.
- 6 Keep the Strawberry away from children, it is not a toy.
